

Australian Insect Farm

Beetles & Bugs Club

.....a club for Entomologists

The Bugs and Beetles Club is a club for all those interested in insects and their relatives.

*Interested in the amazing world of insects, then the Bugs and Beetles Club is just for you. Learn about Australian insects, look at **life cycles** and learn about **breeding**, insect **activities** and **reports**, **conservation** and **environmental** issues or just how to keep your **insect pet**.*

You can also receive great prizes in the members Competitions.

The Bugs and Beetles club is an online club where all information/activity sheets/competitions are forwarded via email.

If you're aged between 5 and 15 years then you are eligible to join as a 'regular member'. Teachers are welcome to join as a 'teacher membership'.

*There is **NO COST** to sign up and become a member.*

Plus receive a free insect gift when you join.

*The Beetles and Bugs Club is an eclub. Once you are a registered club member you will receive your introduction package with the first installment to the **Beetles & Bugs project booklet** and your free insect gift. Further installments to the project book will be forwarded by email four times a year along with **activities**, **competitions**, **discounts** and much more.*

To join just email info@insectfarm.com.au ask for a B&B application form. Once you have completed the application return to info@insectfarm.com.au.

Once we have processed your membership application you will receive a members certificate with membership number and discount vouchers. The membership number entitles you to enter to all competitions and discounts. And your free insect gift!

Remember, you must have a working email address to be a member.
